PROFILE

BBA Finance student building practical skills in financial analysis, Excel-based data handling, and business reporting. Interested in an entry-level Financial Analyst or Finance Intern role where I can apply analytical thinking, attention to detail, and problem-solving skills while developing hands-on experience with financial data and decision support

EDUCATION

Bachelor of Business Administration (BBA)
— Finance
Allenhouse Business School, Kanpur
CSJMU-affiliated
Academic Performance- 8.42 CGPA

INTERNSHIP EXPERIENCE

Reliance Smart Bazaar — Intern | 15 Days

- Assisted the store operations team with stock replenishment, inventory checks
- Gained practical exposure to retail supply chain processes and point-of-sale (POS) systems.

ACADEMIC PROJECTS

Nova Retail – Financial Analysis (Excel Project)

- Analyzed retail sales data using Microsoft Excel to understand sales and profit performance.
- Used Excel formulas, PivotTables, and charts to summarize data and identify business insights.
- Organized the analysis in an Excel workbook and uploaded the project to GitHub.
